

MAKE MONEY THROUGH FUND SEEKER

You receive \$5 dollars cash back for each new member to sign up who supports your cause.

It's That Simple!

Not-for-profit organisations, clubs or associations who are members of Fund Seeker can receive \$5.00 cash for every new member who joins.

Just let your volunteers, fundraising committee, colleagues or members know about Fund Seeker – tell them if they are going to sign up as a Fund Seeker Member to put your organizations name on the Membership Form in the “Where Did You Hear About Us” section.

There are no limits...you can make \$50 or \$500,000...without lifting a finger!
